Celebright

LOOKBOOK

OUTDOOR AMBIANCE, BY DESIGN.

Quiet evenings.
Backyard gatherings.
Celebrations.
Arrivals.
Departures.
Milestones.
And everything in between.

Your life deserves exceptional lighting.

A BRIGHTER WAY TO LIVE

Celebright was founded on a simple belief: exterior lighting should be beautiful, effortless, and permanent.

Our patented permanent lighting ecosystem helps homeowners celebrate holidays, enhance architecture, improve security, and create unforgettable moments—all from a single system.

Because lighting is more than functional—it's personal.

A message from CEO & Founder,

Dan Jenkins

FEATURED LOOK: 3 WISE MEN

ONE SYSTEM, INFINITE POSSIBILITIES.

Patented Power Distribution

Our patented technology intelligently distributes power throughout the system for exceptional reliability and consistent performance.

Elegant, Diffused Light

Unlike exposed LEDs, our exclusive frosted bulb creates a softer, more refined glow that enhances your home's architecture.

Architecturally Matched

With 11 track profiles and 100+ colour options, Celebright integrates seamlessly with any home, remaining discreet by day and invisible by night.

FEATURED LOOK: WARM WHITE

BUILT TO LAST, DESIGNED TO IMPRESS.

Professional Installation

From site visit to setup, trained installers handle every detail with minimal disruption.

Smart Control

Control your lighting from anywhere with the Celebright App.

16 Million Colors

Set the scene with custom lighting for any mood, season, or celebration.

FEATURED LOOK: NORTHERN LIGHTS ROYALE

Complete Outdoor Lighting. One Intelligent System.

LANDSCAPE LIGHTING

PATH LIGHT

Illuminates walkways with soft, welcoming light.

UPLIGHT

Highlights trees, columns, and architectural features.

MINI UPLIGHT

Designed for shrubs, grasses, and smaller focal points.

WELL LIGHT

Flush-mounted lighting for turf and hardscape applications.

HARDSCAPE LIGHT

Integrates seamlessly into steps, walls, and pillars.

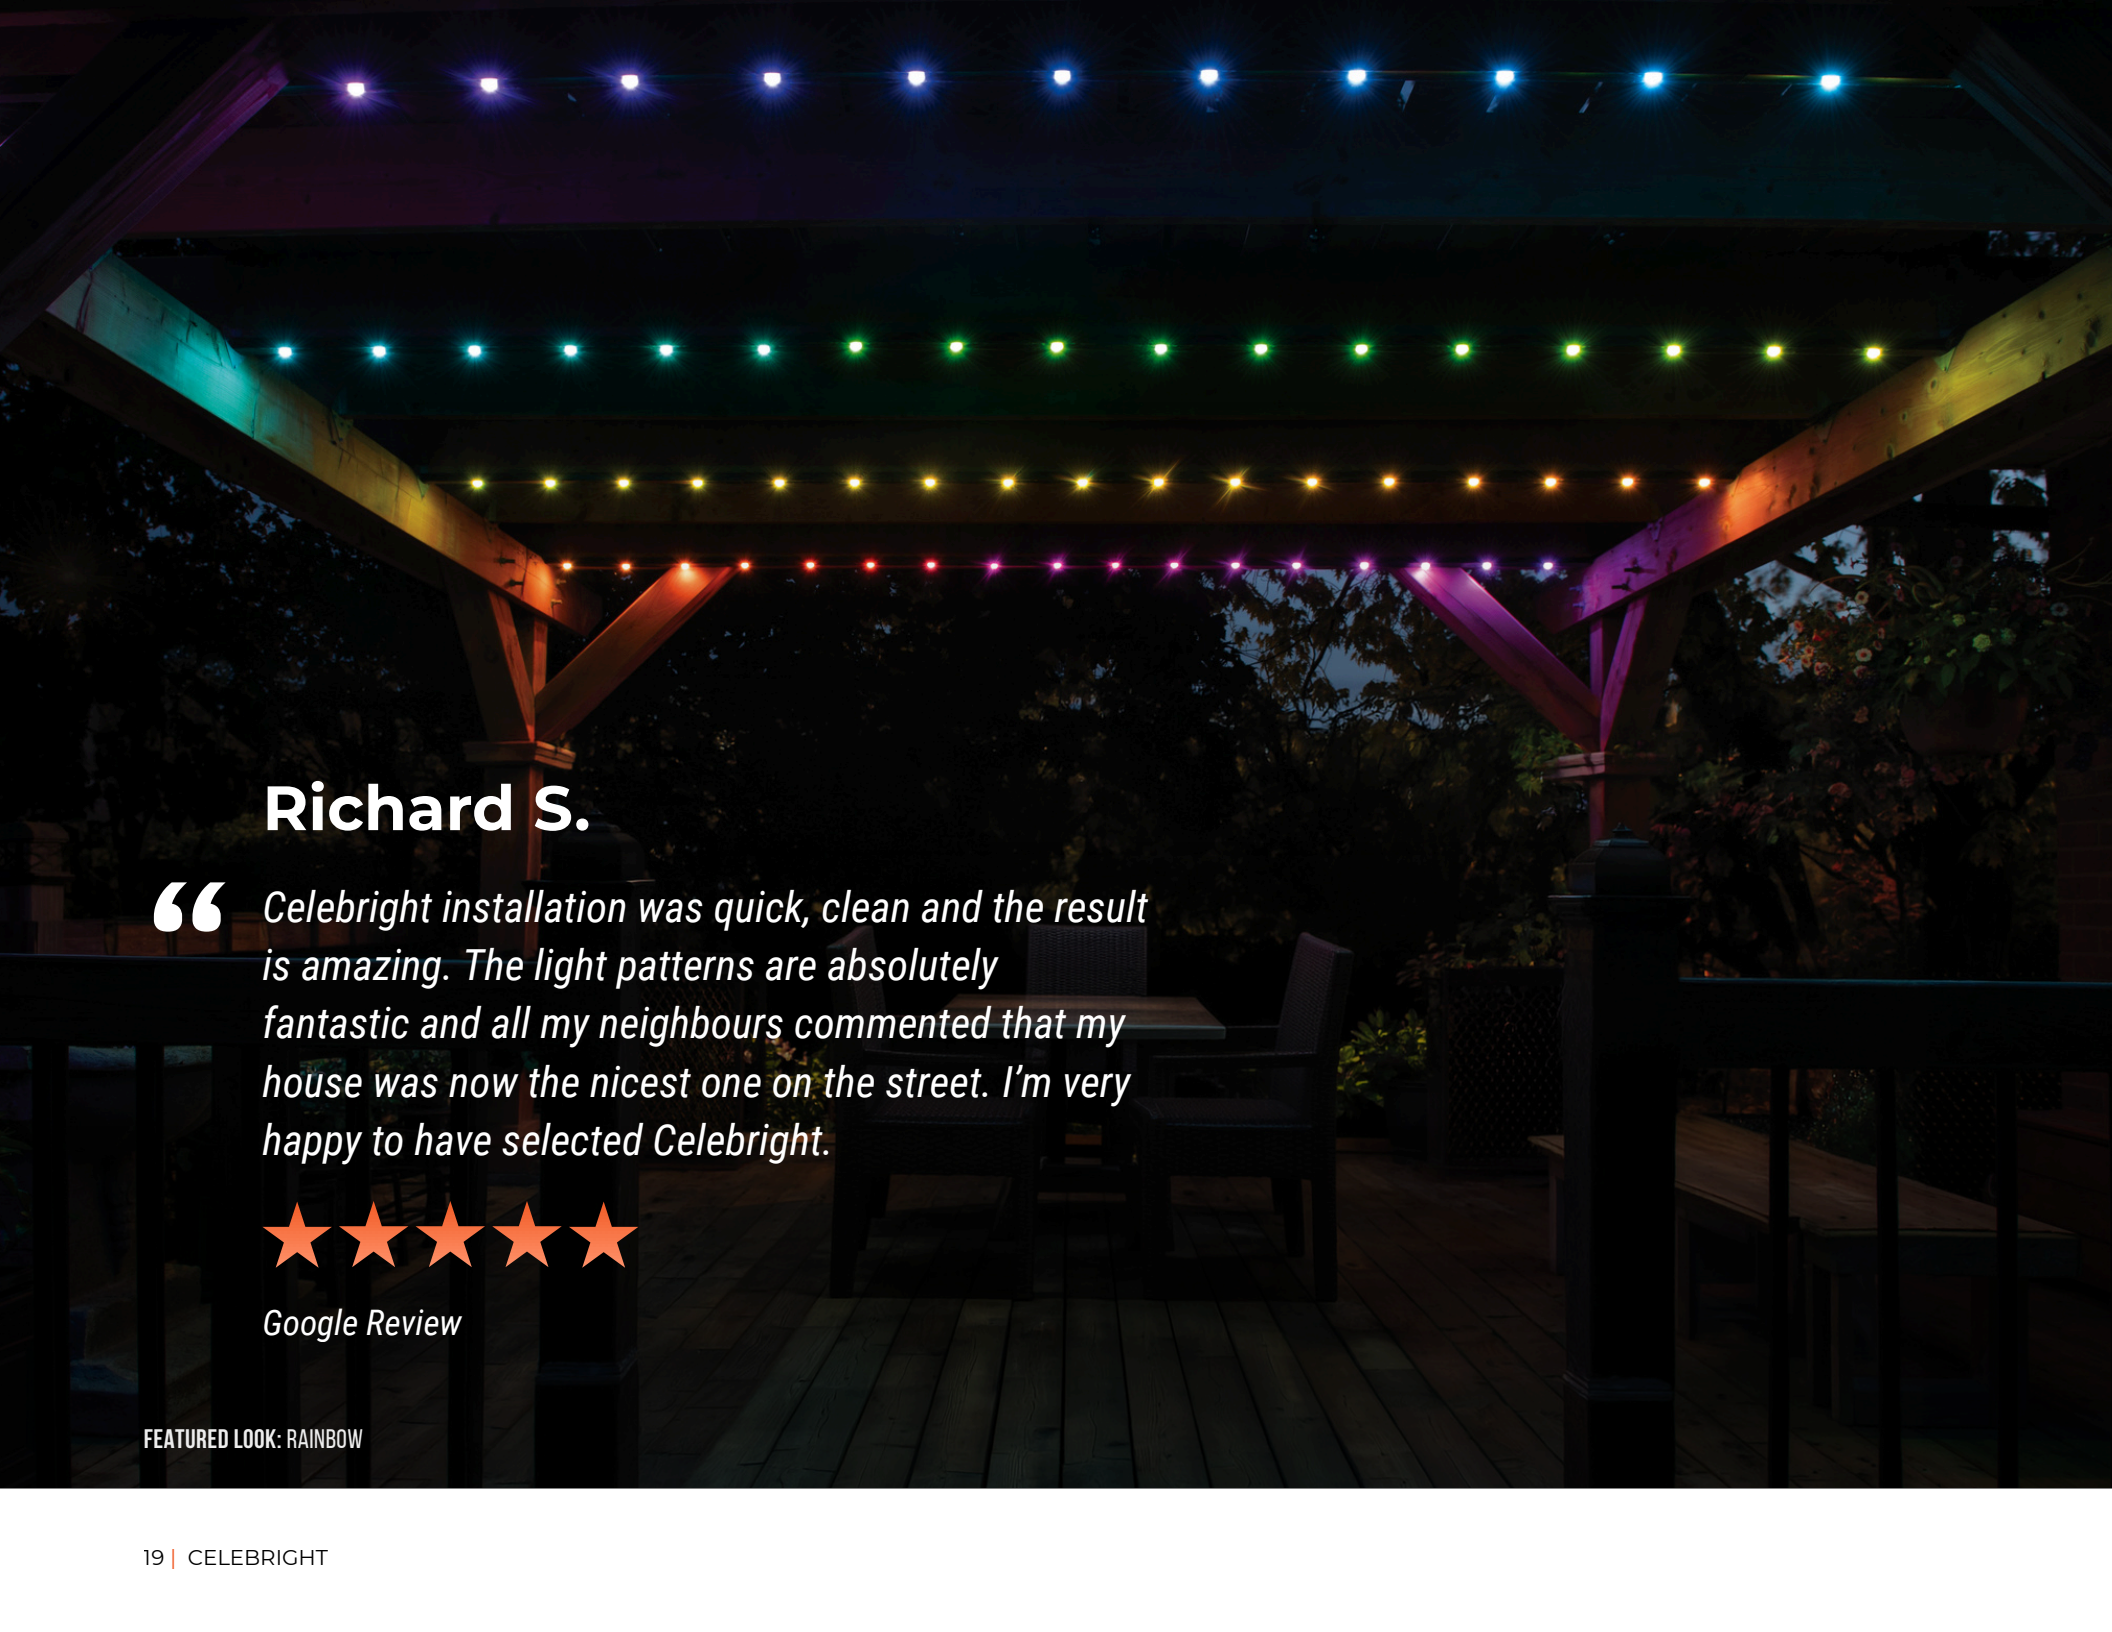

EXPANDABLE SYSTEM DOWN LIGHTS

Premium RGBW downlights for soffits, patios, entries, and architectural accents—all controlled through the Celebright App.

Richard S.

“ *Celebright installation was quick, clean and the result is amazing. The light patterns are absolutely fantastic and all my neighbours commented that my house was now the nicest one on the street. I'm very happy to have selected Celebright.*

Google Review

FEATURED LOOK: RAINBOW

A wooden shed with purple and blue LED lighting, situated next to a swimming pool at night. The shed has a double door and a window, both illuminated by the lights. The pool is in the foreground, and a wooden fence is visible in the background.

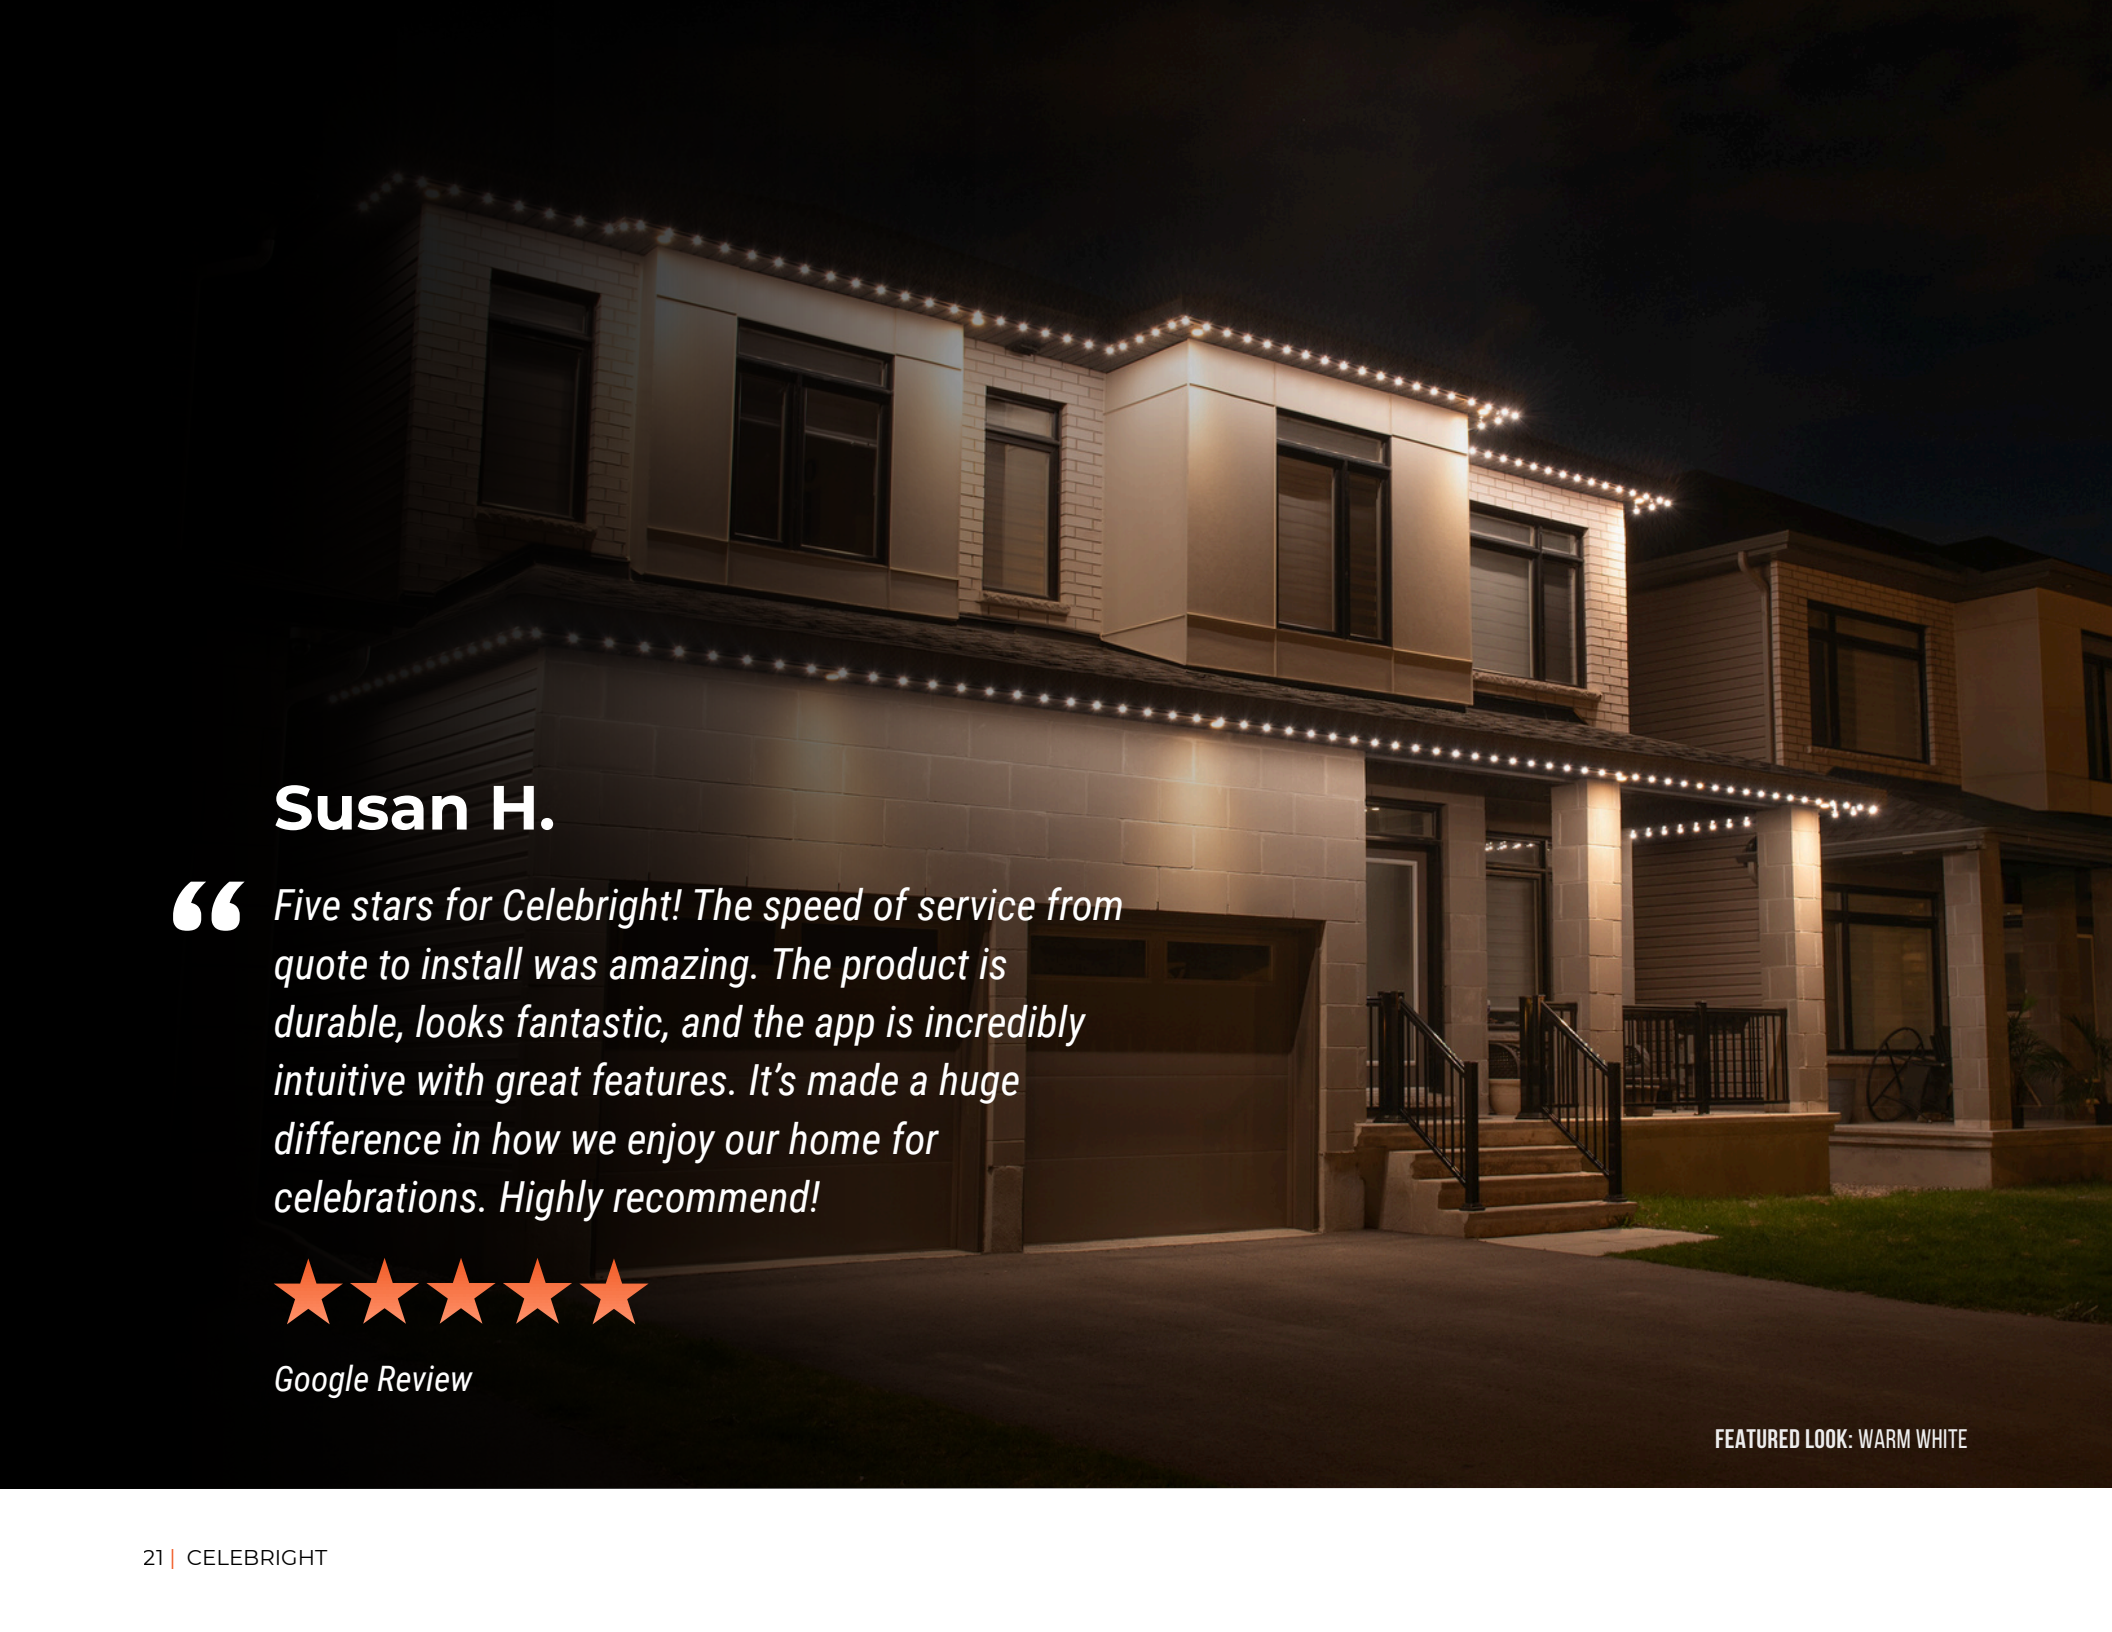

Cynthia B.

“ All staff are knowledgeable, friendly and did a great job installing our lights. You don't even know they are there. Extremely pleased with the whole process.

FREQUENTLY ASKED QUESTIONS

Is there a warranty?

All Celebright™ lighting system components are covered under a ten (10) year warranty against defects in materials and workmanship from the date of purchase. This warranty can be transferred to a new homeowner if the property is sold.

Are your products certified?

Yes, all our products are certified for use anywhere in Canada and the United States. Our certification is ETL listed and conforms to UL Standard UL2108 and CSA Standard C22.2# 250.2. Our ETL Listing number is 5023546.

How long does installation take?

Installation depends on the size and complexity of the job, but generally, an installation can be completed in a single day.

Can you add to the system?

We have designed our lighting system in a modular way, you can add on to your system and control it along with the rest of your lights as if nothing changed.
